

Signature Canvas Collection

Our **Signature Canvas Collection** begins with paintings from a hand selected group of best-selling artists. Each chosen work of art is inkjet printed, giclee style, directly onto top-quality cotton canvases that are stretched around wooden frames of 1.5 inches in depth. The stretched canvases are then skillfully **hand-painted** with oils and acrylics to create rich, **textural embellishments** that give each piece the look and feel of an **original painting**. Every piece is shipped with protective corners and a hanging mechanism.
